

Glass World... goes green

The Claremont N4417

The Flapperless Claremont is the only two piece comfort height HET that features the patented leak-free Flapperless flushing system. The leak-free Flapperless design paired with a 4.8L flush makes the Claremont one of the most water efficient comfort height toilets available. The Flapperless name has become synonymous with performance. Homeowners and industry professionals have come to know the dependability and quality of Flapperless products.

Features

- Fits in a 267mm (10.5") to 305mm (12.0") rough-in
- 260mm x 512mm (10.2 x 20.0") foot print
