

Glass World... goes green

The Simcoe N4416

The Flapperless Simcoe is the only HET round front two-piece toilet that features the patented leak-free Flapperless flushing system. The leak-free Flapperless design paired with a 4.8L flush makes the Simcoe toilet one of the most water efficient toilets available. The Flapperless name has become synonymous with performance. Homeowners and industry professionals have come to know the dependability and quality of Flapperless products.
