Integral Skirted Gelcoat Tub

This is the newest piece to our collection. With the economist in mind, we have developed a skirted gelcoat tub. More appealing than the steel option, and for those on tight budgets, a very attractive tub with smooth lines, exceptional depth and durability.

Complete with arm rests tile flange and lumbar support. Excellent value for your hard earned money.

Ask us about a Glass World tub slider door to fit, or custom jetting for this tub!

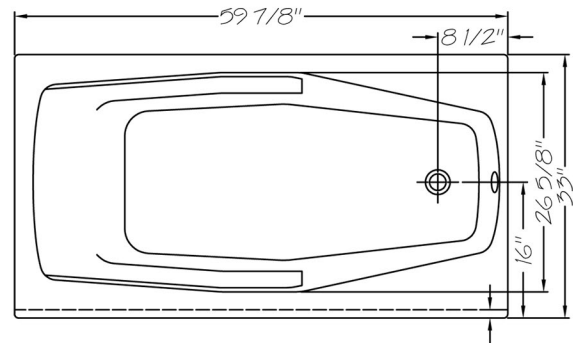

Standard Features Include:

- Recessed Tile Flange to accommodate most finishing materials
- Easy to clean chip resistant surface.
- Naturally non skid floor
- Available in left and right hand drain
- Surround walls available for this model

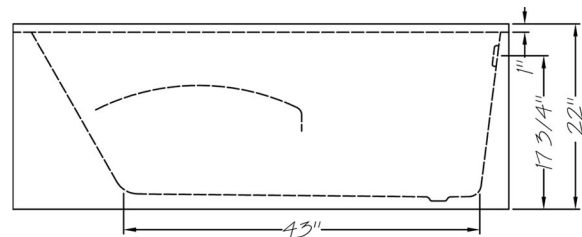

Crafted of high gloss gelcoat and re-enforced with fibreglass, this is a design that is sure to please. All of our gelcoat products are built to strict specifications ensuring the highest quality for the best price. Say goodbye to silicone and leaky grout lines forever when you opt for a one piece shower stall or tub and wall with the Glass World name brand.

Glass World's products are manufactured and factory tested to meet the highest standards of quality, craftsmanship and performance. The gelcoat finish and hydro massage systems are all warranted for a period of one year.

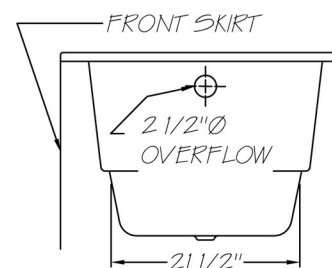

Approved for Canada and the United States. All products are approved and certified to CSA Standards by Warnock Hearsey. Tested to CSA B45.0 & CSA B45.5.
